 PART 2 - COPY TO BE RETURNED WITH RESPONSE

Dear Sirs,

Here's the information you wanted. The letter that you sent to me stated that I had not describe my invention idea in detail. Also, I had submitted three invention claims. The removable shelf with dividers, the rolling plastic platform and plastic connections. The letter did not say which claim you wanted me to typed over. So I did all three of them over again.

Also, I hope that you only count the description of the idea for the 150 words you wanted for the typed description of my idea and not to include the claim purpose of my idea as part of the 150 words.

Thank you, Robert James Wroten
